Experience

Ui/Ux Designer at Saify Technologies

September 2023 - Present | Ratlam

I am Sachin Patel, a UI/UX Designer at Saify Technologies, adept at creating seamless and visually compelling user experiences. Skilled in blending creativity with user-centric design principles to craft innovative solutions that resonate with end-users.

Search Engine Optimization (Additional)

June 2022 - August 2023 | Ratlam

Additionally, I held the role of an SEO Specialist at Saify Technologies, implementing strategies to optimize web content and enhance organic search visibility. Proficient in leveraging SEO tools and techniques, I focused on driving traffic and improving website rankings, contributing to the overall digital presence and success of the company.
