## PERSONAL PROJECTS

**HTML BLOG PAGE**

- It is a pure HTML page
- I have used the basic html tags like Heading, Paragraphs, Lists, Tables, Dic, etc

**Todo App UI Mobile**

- IN this project i will be developing the application in a way that same website can work on multiple devices having different screen sizes in pixels
- i have used the html and css property in this project

**Reminder Clock App**

- Punctual people, chronically-late people, or anyone that wants to turn their browser into a clock.
- I have used HTML, CSS and Javascript and Variables in this project
