PORTFOLIO

Experienced video editor with over 1 years of experience in the social media and wedding industry. I have worked in both scripted and unscripted settings, as well as on a variety of projects ranging from short films to feature-length movies. I am able to create a compelling narrative that is engaging and accessible, while also paying attention to detail and ensuring that all information is conveyed effectively.

EDUCATION

B. A. 2020 - 2022

[Barkatullah University](#)

- What knowledge or experience did you acquire during your studies there? (e.g. Delivered a comprehensive marketing strategy)
