EXPERIENCE

E-Commerce Executive
Iksula

11/2021 - 09/2022

Indore, MP

Iksula is an information technology company which develops and provides E-Commerce Solutions

- As an Ecommerce Executive at Wayfair, expertly curated product catalogs and enhanced visual appeal through meticulous imaging and product naming strategies.
- Dedicated to optimizing product presentation to drive customer engagement and elevate brand image on the website.

PROJECTS

Golf club Webpage using HTML/CSS/JAVASCRIPT

- Crafted an animated Golf club webpage, leveraging CSS and GSAP for captivating animations and seamless transitions. Showcased design finesse and interactive elements, elevating user engagement and experience. Integrated modern web technologies to deliver dynamic content and visually stunning effects.

Weather website using HTML/CSS/JAVASCRIPT

- Crafted a dynamic Weather website, amalgamating a third-party API for live weather data and HTML, CSS, and JavaScript for user-friendly presentation. The design seamlessly adapts across devices, featuring smooth animations for enhanced user engagement.

Tic-Tac-Toe game using HTML/CSS/JAVASCRIPT

- Developed a user-friendly GUI interface, facilitating player interaction with intuitive controls, while also providing an interactive gaming experience where players can compete against each other.

Amazon clone webpage using HTML/CSS

- Meticulously recreated the Amazon website's visual elements and layout using HTML and CSS, ensuring accuracy in navigation bars, product grids, and footer sections. Demonstrated proficiency in frontend development by faithfully reproducing the original e-commerce platform's design and layout, showcasing expertise in popular web technologies.
