# Mohak sharma

## UI / UX designer

## Professional Summary

I'm an emerging UX designer with a year of hands-on experience in user-centered design. I'm passionate about creating intuitive digital experiences through research, wireframing, and prototyping. My collaborative nature and commitment to staying updated with industry trends drive me to craft meaningful and impactful user interfaces. With a solid foundation and a hunger for growth, I'm excited to contribute my skills to projects that prioritize user satisfaction

## Career summary

**UI/UX designer at Earnest data analytics private limited.**
**Jabalpur, Madhya Pradesh**

Oct. 2022 - November 2023

- Improved UI by identifying issues and conducting research.
- Coordinated with cross-functional teams to gather insights.
- Created user stories, journey maps, and prototypes.
- Conducted user research for deep insights into user needs
- Visualized user experiences through journey mapping.
- Developed interactive prototypes that demonstrated the user flow and functionality of proposed design solutions.

**UI/UX designer intern at Aim2excel. Delhi**

Aug. 2022 - Oct. 2022

During my internship as a UI/UX Design Intern, I focused on user-centered design, conducting research, creating personas, and developing wireframes and prototypes. I collaborated with the design and development teams to ensure smooth design implementation, gaining hands-on experience in industry-standard tools and methodologies. This internship strengthened my UI/UX design foundation, allowing me to apply my skills effectively in real-world projects
