SUMMARY

Highly adaptable web developer skilled in HTML, CSS, and JavaScript frameworks (React & Express Js), adept at leveraging Bootstrap for responsive designs. Proficient in MongoDB, with a fresh perspective and a passion for crafting efficient, user-centric web solutions

RELEVANT PROJECTS

Note Book App (MERN App)

This is a MERN application, utilizing the latest technology stack. The app employs JWT for authentication and includes separate login and sign-up functionalities for individual users. Once users create an account, they can save their notes using their user ID and password

File Transfer (MERN App)

This application is built with the MERN stack and is designed for sharing files via links that anyone can use to download the respective files.

NEWS APP (React JS)

Get instant access to the freshest newsy worldwide with our React App. It pulls the newest updates from various sources through an API, delivering a straightforward way to stay informed about what's happening globally.

WORK EXPERIENCE

Web Development Intern : Codsoft   20/10/2023 - 20/11/2023

- Developed and maintained web applications using JavaScript, HTML5 & CSS3.
- Developed responsive design that improved mobile usability.
- Analyzed requirements to determine the best approach for developing new features or improving existing functionality.

Web Development Intern : Code Clause   01/11/2023 - 01/12/2023

- Learning the fundamentals of Application Programming Interfaces (APIs), including RESTful APIs and their role in facilitating communication between different software systems.
- Gaining hands-on experience in designing and implementing APIs using Node.js frameworks like Express.js.
- Working on real-world projects or simulations that involve building and deploying Node.js-based APIs.
- Practicing the usage of various NPM packages/modules to enhance the functionality of Node.js applications (Axios).

EDUCATION

Babulal Tarabai Institute of Research and Technology (RGPV)   2019 - 2023
Bachelor of Technology - Mechanical Engineering
CGPA : 7.59 (A Grade)

SKILLS

Technical Skills : HTML, CSS, JavaScript, React JS, Bootstrap, Tailwind CSS , Node JS, Express JS, MongoDB, NPM , & React Native (Basic).

Soft Skills: Communication, Teamwork, Time Management, Leadership, Flexibility ,problem-solving solving.
